Dear Shari:

The Iowa secretary of state's office works in conjunction with municipalities regarding the registration of transient merchants. Licensure with this office occurs when an ordinance is not in place at the local level. However, please remember to inform applicants for local transient merchant registration of Iowa Code Chapter 9C.4 (attached), which requires them to file a bond with the state even when registering under a municipal ordinance.

Thank you for your continued partnership in serving the people of Iowa and please do not hesitate to contact me if you have any questions on this matter.
